Forecast For Tayside, Central & Fife
Issued by Met Office Aberdeen
at 1600 on Tuesday 02 Mar 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Mainly cloudy on Wednesday, some sunshine in west.

This Evening and Tonight:
Staying cloudy across most of the region this evening and tonight, but some clearer spells are expected across Perthshire and the Trossachs where some frost is likely. Light winds. Minimum temperature 0 deg C (32 deg F).

Wednesday:
Cloudy for much of the region on Wednesday, with the best chance of sunshine across northern and western Perthshire. Maximum temperature 6 deg C (43 deg F).

Outlook for Thursday to Saturday:
Cloudy with patchy rain on Thursday morning then brighter but colder. A dry and sunny day on Friday. Some sunshine at first on Saturday then cloudier with some rain.
